Summary of experience

Justin brings a client-centric approach to his role as business development director with an ability to form new partnerships and broaden existing relationships. He brings deep business knowledge and experience across a variety of industries with focus on being able to provide clients with actionable recommendations.

Justin is a growth leader in RSM Canada's Technology, Media and Telecommunications group and supports the progress of the practice through client development, industry presence and relationship management.

Prior to joining RSM Canada, Justin spearheaded business development for a boutique management consultancy, focused mainly on private equity and venture capital relationships. He also has several years of experience in relationship management roles, including time spent with a prominent Canadian hedge fund, a publicly traded fund administration firm and a global mutual fund company.

Justin is significantly involved with a variety of organizations including Help for Children Canada, the Association for Corporate Growth, the George Brown Finance Club and UJA Toronto.

Justin obtained an LL.B. from the School of Law at the University of Leicester and a B.A. in Sociology from the University of Western Ontario.
